1. Introduction

We hope that issues can be addressed by talking to the relevant staff. Open communication and regular engagement between the school, parents/carers and other stakeholders is vital to nurturing positive relationships within the whole school community.

1.1. School Information

ETHOS STATEMENT

As a school community we strive to **ACHIEVE:**

Acceptance: We embrace diversity and encourage mutual respect for everyone.

Caring: We nurture the whole child – academically, emotionally, socially, morally and spiritually.

Honesty: We develop a culture of open and honest communication.

Individuality: We celebrate, encourage and support the individual qualities and needs of each child.

Environment: We provide a safe and engaging setting where children are inspired to become inquisitive, independent learners.

Value: We endeavour to work alongside the wider community enabling us to contribute to an ever changing society.

Empower: We empower our children to have the confidence and resilience to make informed decisions.

1.2.

We believe that Greystone Primary School provides a good learning environment for all our children and that the staff work very hard to build positive relationships with all parents. However, the school is obliged to have procedures in place in case there are complaints by parents. The following policy sets out the procedure that the parents should follow in such cases.

We always welcome suggestions for improving our work in school. Be assured that, no matter what you want to tell us, our support and respect for your child will not be affected in any way.

Please tell us of your concern as soon as possible. It is difficult for us to investigate an incident or problem properly if it took place some time ago. We do appreciate the assistance we receive from parents in addressing any problems that arise. *Posting on social media, e.g. Facebook is NOT the way to complain about school matters, particularly when they affect your child. Please use this guidance.*

We receive very few complaints. Problems sometimes arise from misunderstandings which are easily addressed. Most concerns and complaints can be sorted out quickly by speaking with your child's class teacher. When parents and teachers treat each other with mutual respect and support, this provides a very good role model for all our children.

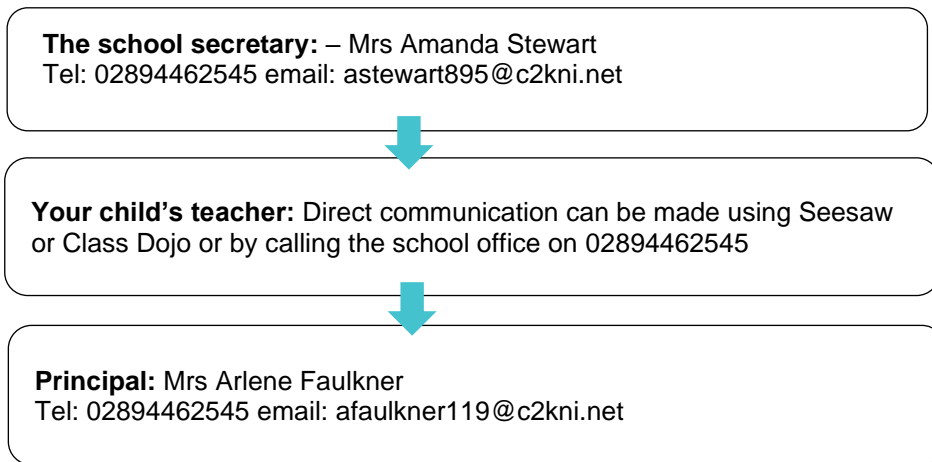

On occasion, a parent may wish to speak to the Governors prior to making a formal complaint, or vice versa. This meeting would not be deemed of an investigative nature and may be just

for clarification etc. However, going forward from the date of this policy, all Parent/Governor meetings should now be summarised, and outcomes recorded in a letter irrespective if it is deemed there are follow on actions or not. This letter should be issued within one month of said meeting.

We welcome communication with our staff. Parents / carers can do this by contacting staff as outlined below:

We take all issues seriously and make every effort to resolve matters as quickly as possible.

1.3. Communication Chart

If you have spoken to the member of staff directly responsible for the matter of concern, and still feel it has not been dealt with adequately then you may wish to make a complaint.

Please follow the School Complaints Procedure attached.

2. Scope of the Complaints Procedure

A complaint is described as an expression of dissatisfaction with our work.

2.1 Complaints with Established Procedures

Our school Complaints Procedure sets out how any expression of dissatisfaction relating to the school will be managed. By taking complaints seriously at the earliest possible stage, it is hoped that they can be resolved quickly and effectively.

Some examples of complaints dealt with:

- Not following school policy
- Communication delays / lack of communication
- Difficulties in staff / pupil relationships

This procedure should not be used for complaints with separate established procedures, however if your complaint relates to the school's failure to correctly administer any of these procedures, then you may complain by means of this procedure.

Some examples of statutory procedures and appeal mechanisms, which are not part of the school's complaints procedure, are listed below. The list is not exhaustive. The principal / chair of governors will advise on the appropriate procedure to use when a complaint is raised.

Exceptions
<ul style="list-style-type: none">• Admissions / Expulsions / Exclusion of children from school• Statutory assessments of Special Educational Needs (SEN)• School Development Proposals• Child Protection / Safeguarding

2.2 Anonymous Complaints

There will be occasions when, despite all stages of the complaints procedure having been completed and the complaint has been reviewed by the Ombudsman, the complainant remains dissatisfied. The school must balance the rights of an individual to make a complaint and have it fairly investigated with the rights of staff not to be subjected to unacceptable actions or behaviour.

Any decision to treat a complainant as unreasonable must take into account the need to ensure that the complaints procedure is being fairly applied and every attempt has been made to communicate and address concerns about behaviour/conduct with the complainant. In the event that such a decision has been taken, the complainant will be advised accordingly.
