

Greystone Primary School

Draft Statement of Ethos: -

In the warm, inclusive and nurturing environment of Greystone Primary School, our staff work to support the individual needs of every child. Guided by Christian principles[†] our children are encouraged to show:

Good manners and
Respect in all they do. We value
Everyone and celebrate what makes
You unique, creating a place where
Smiles are shared, and friendships grow. Children are inspired to
Try hard, be punctual and be
On time, embrace
New Things and
Enjoy their learning.

Through these values, we help each child to feel loved, safe, and supported as they develop confidence, resilience, and the skills they need for life.
